Invitation

3. International Conference „Bats of the Sudety Mts.”

09. / 10. September 2006

International Meeting Centre of St. Marienthal

organization

Landesfachausschuß Fledermausschutz und Fachgruppe Fledermausschutz
Dresden im NABU, Landesverband Sachsen e.V.

in cooperation with

Lusatian Mountains Landscape Reserve
Wroclaw Chiropterological Group
Museum of Natural History Jelenia Góra
The Westsudetian Naturalistic Society
Landkreis Löbau-Zittau, Untere Naturschutzbehörde

Dear friends,

we are pleased to invite you to the 3. conference „Bats of the Sudety Mts.“, which will take place at the German side for the first time after we started the cross-border cooperation with the first Polish-Czech-German conference in Jelenia Góra in 2002.

We would be glad to welcome you in the Monastery and International Meeting Centre of St. Marienthal on the river Neiße to exchange new experiences and information about bat research and conservation in the Sudety Mts. and their surroundings. The conference languages are English, Polish, Czech and German.

Publication of the presentations

In cooperation with the Oberlausitz Society of Natural History Research we plan the publication of your presentations in a supplement of „Berichte der Naturforschenden Gesellschaft der Oberlausitz“. We need to receive the text and figures of your paper before October 30, 2006. The text should be in English and contain an abstract in your language. The publisher will complement it with the translation of the abstract into the other two languages. Please send the text by e-mail to ch.schmidt.niesky@gmx.de.

Abstracts

We would like to print the abstracts of all presentations before the conference. Therefore we ask you to send a short abstract of your presentation before July 31, 2006 to ch.schmidt.niesky@gmx.de, preferably in English

Registration fee

5 €
